Junmai Ginjo Saké

SERVE CHILLED • Alcohol

15.5% • Japan's Finest Premium Saké • Brewed carefully and slowly • *Soft, honey-laced aromas and slightly dry with good richness and balance* • It's all about special, hand-harvested saké rice and the purest water! • Brewed by a family owned artisan producer, **founded in 1859** • Location: Tottori Prefecture: one of the least populated regions of Japan—mountains, oceans and forests vie for space, with humans in the minority—the clean air and cold winters are ideal for brewing saké •
