"A super winery, Lewelling merits considerable attention for their Cabernet Sauvignons that are reminiscent of top-class Bordeaux Pauillacs possessing the extravagantly rich fruit of Napa." - Robert Parker

92 POINTS

"The 2005 Cabernet Sauvignon exhibits a dense purple color along with a lovely perfume of burning charcoal embers and exceptionally pure creme de cassis fruit. Full-bodied with sweet tannin, stunning purity, a layered mouthfeel, and a long finish, it is an excellent Cabernet available at a bargain basement price by Napa Valley standards. Moreover, it should drink well for 15+ years."

94+ POINTS

"Boasting even more intensity, aromatic complexity, and a fuller, longer mouthfeel and finish, is the 2005 Cabernet Sauvignon Wight Vineyard. Sharing the same black/purple color, purity, and personality of its sibling, it should have 20-25 years of longevity. If Ponet Canet were making Cabernet Sauvignon in Napa Valley, it might taste like this."
